

PAKTRONIX SYSTEMS

INFORMATION SECURITY & ASSURANCE

[HTTP://WWW.PAKTRONIX.COM](http://www.paktronix.com)

Paktronix Systems LLC provides comprehensive Information Assurance structures tailored to our client's individual needs. Our staff provides over 50 years of cumulative experience in all facets of Information System usages and Security Methodologies. This experience combined with our extensive list of partnerships and associates allows Paktronix to offer all ranges of service from simple network security through complex security initiatives such as HIPAA and Sarbanes-Oxley Act protections.

Our staff holds the highest level of certifications available within the Information Assurance and Security realm. These certifications include:

- CISSP - Certified Information Systems Security Professional
- CISA/CISM - Certified Information Systems Auditor / Manager
- NSA IAM/IEM - NSA's InfoSec Assurance Methodology / InfoSec Evaluation Methodology

Paktronix has a licensed M.D. on staff to assist with HIPAA and JCAHO issues.

Our partnerships and associations include:

- NEbraskaCERT - Founding Member & Supporting Partner
- Omaha Infragard - Founding and Current Member
- FBI - Infragard Secure Access Member
- State of Nebraska - Liaison with the NE CIO office

Paktronix developed and continues to offer under GPL the only SNMPv3 managed Policy Routing Operating System, PakSecured. By releasing and maintaining PakSecured under the terms of the GPL Paktronix upholds the tradition of providing security and freedom through deeds and actions.

Paktronix Systems LLC is a Limited Liability Corporation under the laws of the State of Nebraska. Our partners are:

Matthew G. Marsh, President
Andrea G. Marsh, M.D. Medical Compliance Director
